NOTICE is hereby given to the creditors of the Franklin Savings bank that, on the 5th day of May. 1899, at the opening of court, or as soon thereafter as counsel can be heard, we shall apply to the circuit court of Jackson county, Missouri, at Kansas City, division No. — for a discharge from our trust as assignees of the Franklin Savings bank.

CHARLES W. WADDELL and JOHN T. MARSHALL.

Section 3. The board of public works has designated the following materials from which the resident property owners above mentioned shall select the material with which said part of said street to be improved shall be paved, viz.

Trinidad lake asphalt on concrete, to be laid seconding to detail one (I) of asphalt pavement approved by said board October 27th, 1898, and on file in the office of said board.

Bermudez, California, Trinidad or any other asphalt equally as good as those designated, on concrete, to be laid according to detail "D" of asphalt pavement, approved by said board October 18th, 1892, and on file in the office of said board.

American bituminous rock on concrete, to be laid according to detail "H" of asphalt pavement, approved by said board August 11th, 1896, and on file in the office of said board.

Vitrified brick as manufactured by tife Diamond Brick and Tile Company, on concrete, to be laid according to detail "G" of brick pavement, approved by said board November 25th, 1895, and on file in the office of said board, so modified as to allow the use of Fortland cement grout instead of Murphy grout filler, as therein specified.

Vitrified brick company, the Pittsburg (Kansas) Vitrified Brick Company, or any other vitrified brick equally as good as those designated, on concrete, to be laid according to detail one (i) of brick pavement, approved by said board August 11th, 1896, and on file in the office of said board.

Section 4. The work hereinbefore specified shall be completed within the time designated in the contract by the city engineer, and shall be paid for in special tax bills against and upon the lands that may be charged with the cost thereof, according to law, which work the common council deems necessary to have done. And said work shall be done in the best manner, under the direction of the second of the law which work the counter of the deem necessary to have done. And said work shall be done in the best manner, under the direction of the second of the second of the second of th

in special tax bills against and upon the lands that may be charged with the cost thereof, according to law, which work the common council deems necessary to have done. And said work shall be done in the best manner, under the direction of the city engineer, and shall conform to the details of the work referred to and designated in section 2 of this ordinance, and also to such plans and specifications explanatory of the work herein provided for, not inconsistent with the requirements of this ordinance, as the city engineer may prepare in respect to such work.

as the city engineer may prepare in respect to such work.

Section 5. The contract for the work herein authorized shall guarantse that the same shall be constructed with such materials and in such manner that the same will endure without the need of any repairs for a period of five (5) years from and after its completion and acceptance without further compensation than that provided for in the contract for the first cost of such work and for which the said special tax bills are issued. The contract for anid work shall expressly provide that the acceptance of the work done hereunder and the issue of special tax bills in payment therefor shall not be held to prevent the maintenance of an action on the contractor's bond for failure to construct said work with such materials and in such manner that the same will endure without the need of any repairs for the required period.

Section 6. In addition to sufficient bond guaranteeing the payment of all laborers employed on the work and for all materials used therein, a separate bond shall be executed to Kansas City guaranteeing that the said work shall be constructed with such materials and in such a manner that the same will endure without the need of any repairs for five (5) years after such payment is completed and finally accepted; which bond shall be in the sum determined by the city comptroller and the form of said bond shall be approved by the city comptroller and the form of said bond shall be and collectible and finally accepted; which bond shall be in the sum determined by the city comptroller and the form of said bond shall be approved by the city comptroller and the form of said bond shall be approved by the city comptroller and the form of said bond shall be approved by the city comptroller and the form of said bond shall be approved by the city comptroller and the form of said bond shall be approved by the city comptroller and the form of said bond shall be approved by the city commended by the board of public works.
